PRODUCT LINE CARD

	Air Purifier RMAP-ST RMAP-XL Available in USA only	Smart Air Purifier RMAP-SST RMAP-SXL Available in USA only	OptiClean™ FN1AAF006000	OptiClean™ FN1AAF015000
Description	Portable air purifier with High Efficiency Filter that captures over 99% of airborne particles sized 0.3 microns	Portable air purifier with Smart Home Integration and HEPA filter that captures 99.97% of airborne particles sized 0.3 microns	Portable Dual-Mode Air Scrubber & Negative Air Machine is 99.97% efficient, long-life HEPA filter removes particles as small as 0.3 microns	
Use Case	Rooms between 400-550 sq. ft. with a small available footprint	Rooms between 400-550 sq. ft. with a small available footprint	Light commercial/business spaces with rooms between 600-1500 sq. ft. and a small available footprint	
Filter Type(s)	ONE filter with three filtration layers to create healthier indoor air. A. Pre-filter section removes large airborne particles like dust, dirt and pet dander. B. Advanced high-efficiency filter section captures over 99% of particles sized 0.3 microns, including pollen. C. Activated carbon filter section for odors and VOCs.	ONE filter with three filtration layers to create healthier indoor air. A. Pre-filter section removes large airborne particles like dust, dirt and pet dander. B. HEPA filter captures 99.97% of particles sized 0.3 microns. C. Activated carbon filter section for odors and VOCs	TWO filters with combined impact to create healthier indoor air: 1. MERV 7 or higher pre-filter captures larger particles. 2. Long-life, 99.97% efficient, HEPA filter removes particles as small as 0.3 microns. <i>The filters are replaceable independantly - replace the pre-filter more often than the long-life HEPA filter.</i>	
Smart Home Integration	-	Use the Carrier Home app to operate your air purifier and monitor your home's air quality from anywhere. ¹ And connect your device to Amazon Alexa or Google Assistant for voice control.	-	
Air Quality Monitor	Continuously samples incoming air, measures levels of pollution and indicates air quality with an easy to read color-coded LED screen		-
